AUTHOR'S PROFILE

Prof.S.Jaranathan is working as a Professor, Department of Information technology, Jaya Engineering College, Tamilnadu, India. He received his B.E. Degree in Computer Science & Engineering from Manonmaniam Sundaranar University and M. Tech Degree in Computer science and Engineering from Dr. M. G. R University. He has about 14 years of teaching experience and 2 years of research experience in the field of Wireless sensor networks. He is the life member of I.S.T.E.

Prof.M.Kumaran is working as a Professor, Department of Computer Science and Engineering, Jaya Engineering College, TamilNadu, India. He completed M.C.A Degree in Computer Application from University of Madras in 1998, he received his M.E in computer science and engineering from College of Engineering, Guindy Anna University in 2004, he has thirteen years of teaching experience in various engineering college, he area of specialization are software components and software quality management.

Mrs. V. Seedha Devi is working as an Assistant Professor, Department of Information Technology, Jaya Engineering College, Tamilnadu, India. She persued her B.Tech. Degree in Computer Science and Engineering from Pondicherry University and her M.E Degree in Computer Science and Engineering from Anna University. She has about 8 years of teaching experience.

V.Balaji Vijayan is working as a lecturer, Department of Computer Science, Jaya Engineering College, Tamilnadu, India. He received his B.Tech. Degree in Information Technology from Anna University and M.E Degree in Computer science and Engineering from Anna University chennai. He has about 3 years of teaching experience and 1 years Industrial experience.
